To whom it may concern,

Geoff Meates of Neo Construction has successfully completed a number of new and renovation projects to the satisfaction of our clients and also to our standards.

Our past clients have commented that they would not hesitate to use Geoff and his courteous team, often mentioning that the site was always keep clean, safe and tidy and communications with Geoff was easy and helpful.

One of the many aspects we enjoy working with Geoff, if he has any doubts he will ask us. This ensures that the most important person in the project, the client, is not compromised and regular referrals back to both our companies continue. I therefore have no hesitation to recommend Geoff Meates of Neo Constructions.. A hands on builder.

Regards,
